

THE JACOB L. & LEWIS FOX FOUNDATION

The Jacob L. and Lewis Fox Foundation was established in 1936 by Lewis Fox, a graduate of HPHS and a local attorney, as a memorial to his father, Jacob L. Fox. The Foundation has awarded college scholarships to graduating seniors of the Hartford Public Schools since 1937.

Although Lewis Fox died in 1976, the legacy of his devotion to the youth of Hartford continues to support their educational efforts. This year's 11 scholars were chosen on the basis of scholastic achievement, financial need, outstanding character, demonstrated leadership, and a spirit of reverence. The 2019 scholars personify the quest for excellence advocated by Lewis Fox throughout his lifetime.
